

To
The Principal

Subject: - Proposal for career counseling of 11th and 12th class students with science and arts stream for suitable career in defence and merchant Navy at your good educational institute.

Dear Sir/Madam,

We are pleased to inform you that the Doon Defence Academy is willing and planning for a career counseling of 11th and 12th class students for a better opportunity to make a right career choice towards Defence and Merchant Navy by our expert team.

CAREER IN DEFENCE

A career in defence makes a person not only disciplined and strong but also open up many other avenues for growth. A career in the defence forces as an officer has always had a place of dignity and respect amongst the youth. Serving in Indian Armed forces is something different, it is a matter of pride and honor, people who join defence forces or want to join, can only explain how it feels to live their dreams.

There are five solid reasons why students should join Army, Navy and Air force as a better career option :

1. **The Uniform** – which no money can buy.
2. **The Respect** – which comes from within the hearts of millions of Indians.
3. **The Pride** – of standing in front of the entire nation and telling, yes I have repaid the debt of my Motherland.
4. **The Personality of a gentleman** – the training and lifestyle mould you to become an officers and a gentleman i.e., tough arms and noble heart.
5. **The Lineage** – of being a part of the breed which has been believing that independence does not come free.

DDA is indeed on honor to provide suitable preparation and guidance for following courses of Armed Forces.

National Defence Academy (NDA)	Indian Airforce – Group ‘X’ & ‘Y’	Indian Navy – AA/SSR/MR
Indian Army – All Recruitments	Navy (Tech) & Army (Tech)	Indian Coast Guard

CAREER IN MERCHANT NAVY

Shipping is undoubtedly most international of the world’s industries, serving more than 90% of global trades depend upon this. Merchant Navy deals with transporting cargo and passengers by sea, it’s fleet such as passenger vessels, oil tankers, cargo, liners bulk carriers and some special types of vessels. Their ships among belong to Indian and foreign Shipping companies, in fact the merchant navy is the backbone of international trade, carrying cargo across the globe.

Merchant Navy remains an attractive career option for the youth of today. Besides a hefty remuneration (earning in foreign currency when working for international vessels) it provides the aspirants an opportunity to become a professional seafarer and lead a life of adventure and excitement to the fullest. The career also provides an opportunity to settle down on various high paying maritime related jobs ashore during later years following completion of a career as an experienced and seasoned mariner at Sea. Before getting licensed (**by Ministry of Shipping , Govt. of India**) to be an officer, one needs to be trained as a deck cadet in any of the two streams in the form of a one/ four year pre-sea course. Candidates can join as a **Deck Cadet** Trainee in a course called **Diploma in Nautical Science (DNS)**, which is actually the

first year of the three year **in B.Sc. in Applied Nautical Science Degree Course**. One can join this course **after having completed 12th standard with Physics, Chemistry and Mathematics**, **The Deck Cadet**, in due course of time, can rise to the rank of Captain, whereas, the Engineering Cadet rises to the rank of Chief Engineer after four years of **B.tech. Marine Engineering Course**. It is a best career option to become a Nautical Officer and Engineer. eligible students must to be qualified Indian Maritime University test called **IMU(CET)** and has to clear company sponsorship exam which is conducted twice in a year to get admission for pre-sea training **in D G Shipping govt. of India approved institutions** .

Doon Defence Academy has been providing coaching for suitable preparation and guidance to qualify the IMU(CET) and company sponsorship exam for doing **Diploma Nautical Science , B.Sc. Nautical Science and Engineering** courses to become deck officer and engineer in merchant Navy ships.
